

WHAT'S IMPORTANT TO YOU?

Disability Rights Center of the Virgin Islands (DRCVI) is the territory's designated protection and advocacy organization for people with disabilities. To ensure that our limited resources are used to address issues of importance to people with disabilities, we are seeking input from the disability community and others.

Please check below all that apply to you. This request is strictly on a voluntary and confidential basis:

☐ Person with a disability ☐ Family member/Guardian/Friend
☐ Professional/Advocate/Service Provider ☐ Other

Because we cannot address every issue of concern to persons with disabilities, please indicate those that are **MOST IMPORTANT** to you by placing a check mark next to what you think are the **3 most important issues.**

MENTAL HEALTH/HEALTH CARE

☐ Appropriate health and mental health care services

INFORMATION AND TRAINING

☐ Inform persons with disabilities about their rights so that they can advocate for themselves

ABUSE AND NEGLECT

☐ Investigate serious harm caused by abuse or neglect in psychiatric facilities, jails, or other places

☐ Investigate cases of physical restraint, seclusion, or over-medication

EDUCATION FOR CHILDREN AND YOUTH

☐ Appropriate education for children with disabilities of all ages

☐ Training to parents and youth so that they can advocate for themselves

THANK YOU!
