RE: Freedom of Information Act Request

Dear Honorable Governor Mapp:

It has come to my attention that on November 24, 2015, you were heard by many making accusations against Ms. Laverne Mills-Williams and/ or myself, Lee J. Rohn on Radio One, 1000 AM WWVI Radio station with talk show host Liston Davis. I am requesting that you submit all documents to support those allegations within fifteen (15) days of receiving this request. I remind you that failure to timely respond to this request provides for criminal penalties.

Cordially,

Lee J. Rohn, Esq.
